Father’s Day Breakfast, Sports morning & Golf Day

Thank you to all of our dad’s, and special friends, who attended last Friday’s Father’s morning of fun activities and breakfast. It was fabulous to see so many dad’s spending time enjoying the company of their children at school.

Congratulations to all of our golfing dads who had a great day although failed to bring ‘The Holy Cup’ home with them, out done by the golfing teams at Holy Trinity, Wantirna South and Holy Saviour, Vermont South.

Thank you to the staff team who arrived very early Friday morning to cook breakfast for approximately 500 guests. That equates to many eggs and many rashers of bacon!

Thank you to our Parents and Friends Committee helpers who provided the children with a great selection of Father’s day gifts.

Always an exciting day for our children and our entrepreneurial children making Father’s Day Friday also a productive day for the canteen! Must be some change left over!?

Grade 5/6 Inquiry Expo - Tuesday

Congratulations to our Grade 5/6 students, along with their teachers, on hosting a wonderful expo for all classes on Tuesday morning. The children have been working with community businesses throughout term 3 and shared their learning with parents and students on Tuesday. We thank all businesses who supported our children by opening their doors and hosting our children throughout four mornings in term 3.
Prep 2016 Parent Information Night - Wed 7th October

All Prep 2016 parents should have received an invitation to the Prep 2016 Information night to be held on Wednesday 7th October (week 1, term 4). The evening will commence at 6.45pm and conclude at 8.15pm. Please contact the school office if you have yet to receive an invitation to this event. Please return the RSVP slip to the school office.

Board Shorts - Education Board Meeting Report

NAPLAN
We discussed the NAPLAN outcomes from 2015 and how they are used by a school to track the school’s progress and also how they are used to support individual students. The Board discussed how the results were used to track school improvement outcomes, in particular looking at the five year trend data. The test is a snapshot of student achievement at this particular time and must be viewed with other informal and formal internal assessments.

Principal's Report
Fr Pearce was welcomed to his first meeting of the Education Board. The Leadership Team looked at planning the professional development program based upon the NAPLAN data. Paul reported on the School Improvement Team - Leadership Day and advised the same practice for assessment and reporting will be used for next year. Paul will be meeting with staff to conduct their annual review meetings in the coming weeks.

Students have also been involved in developing risk assessments for activities including the Grade 3/4 Market Day and the Grade 5/6 Expo.

Middle and Junior School students will be provided with more ICT resources. All parents will be invited to an information session on the Google Platform.
Paul thanked all those involved in the Bunnings BBQ.

Deputy Principal Report - Administration and Innovation
The Art Learning Celebration was a great success and Book Week was again a great celebration. Planning for the Holy Family Fete has begun and the date will be October 2016. Preparations are well under way for the Father’s Day Celebration on Friday 4 September 2015.

Deputy Principal Report Teaching and Learning
The school has been accepted into the 2016 intake for the Implementation of ICON.

NO TUCKSHOP FRIDAY DUE TO THE 3/4 MARKET DAY

School Disco - Tomorrow - Friday 11th September
Parent ‘sign in’ & ‘sign out’ of children.
We thank the members of the Parents and friends Committee for their efforts in organising tomorrow night school disco.
Grade Prep - 2 Disco – 5:30pm – 6:45pm
Grade 3 - 6 Disco 7:00pm 8:30pm
Parents are required to accompany their children into the hall to sign all children into the disco and sign children out at the conclusion of the disco. Thank you.
As this is a school function, the disco is only open to school children attending Holy Family School.
Senior School Community Links Expo

On Tuesday the senior level celebrated their work with the local community to answer our big question, “How does our community work together to make cents?” with an amazing expo with 23 businesses being represented as important links in our community!

Our level split into groups to visit the local businesses and then created a wonderful expo about what they saw and learnt. Our local businesses help the Mount Waverley residents by meeting their needs and wants providing them with services and products. Members and workers of the community came together to see what the senior level had created. Everybody had a great time going to the businesses. The senior level reached the criteria that was set and it went way beyond what we expected!

At our expo many of the groups brought props and items from their business, the hairdressers brought Donte’s mum "Peta" to show the full experience. The Pet store brought animals that they sold to keep people interested. The AppTech group brought an open computer to show all the parts that are inside. It took many days to prepare for this expo. The staff, teachers and students were very organised. Preparing for this day was very stressful but in the end everything was absolutely perfect. The groups that went to places like Brumby’s and Cafe Prima shared samples of what their business made. The expo taught us a lot about other businesses and the main aspect “How does our community work together to make cents?”. Every group knew what they were talking about and would not let us sample food unless we answered their quiz! Some of the groups even had crosswords and colouring in pages for the younger students.

The senior level all worked very hard to answer questions and it was a lot of fun going to the business and learning how each business ran successfully. It also made us try different things and changed our minds about what shops we should go to. When all the businesses were together it showed how they make the local community a better place. There were also lots of fun activities and games that groups had prepared to explain our new understandings about running a small business.

From cafes to pet stores, and even hairdressers, the variety of the businesses was so diverse but yet they all made as amazing stalls as each other. At 9:00am till 11am everybody was learning and having fun at the senior expo! Thank you to all the parents and businesses who made our experience possible!

Andrew Bishop and Kini Fullman on behalf of the Senior School.

SAVE THE DATE!

We invite you to our senior parent class in which we will present our Super Speak skills.

The results are in and it’s all over! Congratulations to Richo, the 2015 Holy Family Footy Tipping Champion! The result went right to the wire, with Richo finishing on 146, one point clear of a gallant Nicholls Family who finished on 145. Adrian and Paul Hattersley finished on 144 each, with Adrian taking third thanks to superior margin tipping throughout the year.

The final round threw up some surprise results, but in the end the most consistent tipster took out the title.

Certificates for the top three place-getters will be available from the office on Monday.

Thanks to everyone who participated this season. The Holy Family Footy Tipping competition will be back bigger and better in 2016!

Friday night in the School Hall.
Bring a named drink bottle with water only.
Preps to grade 2 (5.30pm to 6.45pm)
Grade 3 to grade 6 (7pm to 8.30pm)
Please do not leave your child without signing them in as we must have your signature before they can enter.
